ake a walk through living history around Albuquerque’s Old Town, the serene village that has been the focal point of community life since 1706. Quiet hidden patios, winding brick paths, gardens and balconies are waiting to be discovered. Wrought iron and adobe benches beckon you to rest in the shade and watch people stroll by. Visit historic San Felipe de Neri Church and relax in the Rose Garden.

Shopping in Old Town is a truly delightful experience. Unique items from around the world, as well as those that are distinctly Southwestern, can be found in more than 150 shops, boutiques, galleries and artist studios. When in New Mexico, eat like New Mexicans! Enjoy the spice & flair of our traditional cuisine. Savor delightful dishes prepared with chile. It comes in red or green and is made from recipes that have evolved from the local Native American & Spanish cultures. Enjoy one of the dozen restaurants, cafes and coffee shops featuring everything from the All-American hamburger to fine Continental cuisine.

For more than three centuries Old Town has been the crossroads of the Southwest. It is a Historic Zone of the City of Albuquerque and home for many families whose ancestors founded the town. Old Town is located just off I-40 (take the Rio Grande Blvd. Exit South) to the entrance at Mountain Road.

The map below shows freeway access and also the most convenient surface roads to use to find your way to Old Town. In 1937, Route 66 was changed from its original route to a straightened east-west road along Central Avenue. Route 66 meets the Camino Real (now Rio Grande Blvd.) at Old Town.

On the Plaza you will find replicas of two cannons that were buried in Old Town by retreating Confederate troops during a Civil War skirmish in Albuquerque (April 8-9, 1862). The original cannons are in the Albuquerque Museum.
Experience Historic Old Town!
Part of Albuquerque's lifestyle for more than 307 years.

Stroll the Old Town Plaza and discover the traditional Spanish patterns of a central plaza and church surrounded by many of the historic homes are still standing and some have been renovated into today's shops and galleries. From the Southwest and around the world, Wrought iron benches and adobe bancos beckon you to stop relax in the shade, watch the world go by and bask in New Mexico's year-round sunshine.
